

Prof. Dr. Annette G. Beck-Sickinger

Date of Birth: 28.10.1960

Gender: female

Institute Address: Universität Leipzig
Institut für Biochemie
Brüderstraße 34
04103 Leipzig
Phone: 0341 97 /36901
Fax: 0341 97-36909
E-mail: beck-sickinger@uni-leipzig.de

Current Position: Full Professor (C4)

Children: 2

Academic Training:

1982 – 1990 Studies in Biology, Universität Tübingen
1980 – 1986 Studies in Chemistry, Universität Tübingen

Scientific Certificates:

1995 Habilitation, Biochemistry, Universität Tübingen
1990 Final degree in biology (Diplom-Biologin), Universität Tübingen
1989 Dissertation in Organic Chemistry, Universität Tübingen (G. Jung)
1986 Final degree in chemistry (Diplom-Chemikerin), Universität Tübingen

Professional Career:

2009 Visiting professor Vanderbilt University, Nashville, TN, USA
since 2000 Member of the Faculty of Chemistry and Mineralogy, Universität Leipzig
since 1999 Professor (C4) of Bioorganic Chemistry and Biochemistry, Universität Leipzig
1997 –1999 Assistant Professor, Pharmaceutical Biochemistry, ETH Zürich, Department of Applied Chemistry
1992 Research Fellow at Rigshospitalet, Copenhagen (T. W. Schwartz)
1990 – 1991 Postdoctoral Fellow, ETH Zürich, Laboratory of Biochemistry (E. Carafoli)
1988 Research Stay at Scripps Clinic & Research Foundation, La Jolla, USA, (R. A. Houghten)

Scientific Activities, Honors, Awards:

since 2012 Member of the German Council of Science and Humanities (Wissenschaftsrat)
2012 Member of the German National Academy of Science, Leopoldina, Section Chemistry,
since 2012 Member of the University Council Stuttgart-Hohenheim
2010 George Cornell Lecture, Toronto University
since 2010 Member of the University Council Leipzig
2009 Max Bergmann Gold Medal
2009 Member of the Saxonian Academy of Sciences
2009 Sigma-Aldrich-Award Lecture of the Royal Chemical Society Netherlands
since 2008 Member of the „Kuratorium des Fonds der Chemischen Industrie“ (FCI)

2005 – 2008	Dean of the Faculty of Biosciences, Pharmacy, and Psychology
2004-2012	Member of the DFG-Panel 201 „Basics in Bioscience and Medicine“;Coordinator (Sprecher) 2008-2012
2004-2011	Board Member of the „Gesellschaft Deutscher Chemiker“ (GDCh) 2006-2008 Vice president
since 2002	Vertrauensdozentin of the „Studienstiftung des Deutschen Volkes“
2002-2012	Coordinator (Sprecherin) of Collaborative Research Centre SFB 610 „Variation in Protein Conformation: Cell Biological and Pathological Relevance“
1999	Phoenix-Wissenschaftspreis
1998	Leonidas Zervas Award of the European Peptide Society
09/1997	French Academy of Sciences „Scientia Europaea“, Pornichet, France
1980 – 1989	Scholarship of the "Studienstiftung des deutschen Volkes"
