

Executive Committee Meeting for the International Energy Agency's Implementing Agreement (IA) on a Cooperative Program on the Environmental, Safety and Economic Aspects of Fusion Power (ESEFP).

This is a closed meeting held to discuss topics specific to the research activities being coordinated by the IEA-ESEFP IA. The participants to this meeting are limited to the Executive Committee (ExCo) members, persons invited to attend by the ExCo Chair, task coordinators, and task participants identified under the IA by the ExCo. The meeting will discuss the new five year term extension recently granted by the IEA, present updates on the research task progress under the last year of the past term, and conduct other ExCo administrative business.
