

## **Solicitation for Nomination**

The International Standing Committee (ISC) for the International Symposium on Fusion Nuclear Technology (ISFNT) has approved the sixth Miya-Abdou Award which will be presented at ISFNT-11 in Barcelona, Spain September 16-20, 2013. This e-mail is a solicitation for nominations for the award. **The deadline for the nominations is 15 May, 2013.**

### **Title of Award**

Miya-Abdou Award for Outstanding Technical Contributions to the Field of Nuclear Technology (FNT). The award title is abbreviated as "MA-FNT Award".

### **Purpose of the Award**

The award aims at acknowledging outstanding technical contributions to the field of Fusion Nuclear Technology at a young age. The technical contributions can be in any field that is within the scope of ISFNT. The award is intended for scientists and engineers at age 40 or younger.

### **Award Prize**

The winner of the award will receive \$ 5,000 (five thousand) and a certificate plaque briefly citing his/her principal achievements.

### **When the Award will be given**

The Award will be bestowed at every meeting of ISFNT. This solicitation of nomination is for the award to be given in ISFNT-11 in Barcelona, Spain September 16-20, 2013.

### **Nomination Package**

The nomination can be made by any individual. The nomination package shall have:

- 1.) A nomination letter with adequate documentation of the nominee's technical contributions and accomplishments. The nomination letter must briefly summarize the principal outstanding accomplishments of the nominee. The nomination must certify that the nominee is 40 years old or younger as of the first day of 2013.
- 2.) Three (or more) letters from other scientists supporting the nomination.

### **Transmittal of Nomination Package**

All nomination packages must be submitted electronically via e-mail to **Prof. Neil Morley (UCLA) email: [morley@fusion.ucla.edu](mailto:morley@fusion.ucla.edu)**.

### **Deadline**

The deadline for receiving nomination packages is **15 May, 2013**.

On behalf of the "MA-FNT Award" Committee, I would like to encourage you to nominate qualified, outstanding young FNT scientists/ researchers/ engineers.

Best regards,

**Neil Morley**

Chair MA-FNT Award Committee for 2013
